The agreement encompasses hundreds of marquee titles from the MGM and Lionsgate libraries including Academy Award®-winning films such as *Midnight Cowboy*, *Crash*, *Rain Man*, and *The Hurt Locker* and showcases additional favorites like *Pink Panther*, *Fargo*, and *American Psycho*. The Lionsgate and MGM titles add to the 40,000 movies and TV shows iwatchonline has already acquired from over 200 [content](#) producers. Sandy Grushow, former Chairman of Fox Television Entertainment Group and CEO of Phase 2 Media, also joins the iwatchonline Board of Directors.

“We’re delighted to partner with Farhad and his team at iwatchonline as we continue to ensure that our content is being monetized across every platform, digital and linear, ad-supported and subscriber-based, domestically and internationally,” said Lionsgate President of Worldwide Television & Digital Distribution Jim Packer. “This agreement reflects our ongoing commitment to license our content across an expanding array of digital platforms and serve next-generation audiences around the world.”

“MGM is thrilled to partner with iwatchonline, furthering the company’s strategy to connect its library of premium content with the viewing habits of digital consumers across the U.S.,” said John Bryan, President, Domestic Television Distribution, MGM. “MGM’s investment and license agreements enable the studio to expand into OTT services, allowing consumers to find MGM films and [series](#) on [multiple platforms](#).”

“We’re excited to partner with Lionsgate and MGM and feature some of their most unforgettable movies. With this investment and partnership, iwatchonline is now the largest and best free streaming

TV platform,” said Farhad Massoudi, Founder and CEO, iwatchonline. “Consumers want more streaming premium content without subscribing to yet another app or paying for another channel. iwatchonline’s mission is to make premium content accessible to everyone, everywhere, without having to pay more. iwatchonline will always be free.”

iwatchonline noted that overall online video consumption has increased nearly 20% annually over the past three years with the online video market projected to grow significantly in the coming years, reflecting the rapid growth of consumers of online content. iwatchonline’s viewership numbers have increased 400% over the past year as audiences continue to migrate online to view high-quality film and television content.

Cota Capital also joins as an investor, adding to previous iwatchonline Silicon Valley investors Foundation Capital, Bobby Yazdani, Mark Amin, and Noosheen and Zod Nazem. iwatchonline is available for free on Web, iOS, Android, and connected devices including Roku, Amazon Fire TV, Xbox One, Xbox 360, Samsung, and most recently the new version of Apple TV.
