Honest Reviews from the Internet

IMDb User Review:

"Immaculate was very different than what I thought it was. There have been many horror movies with nuns in them which are about demonic possession or something else with demonic attributes. But as it turns out, Immaculate isn't about demons. And although it's not as scary as the Conjuring franchise, it's still pretty disturbing." – [IMDb](#)

Rotten Tomatoes User Review:

"Immaculate in conception if not always in execution, this religiously themed horror outing is saved by a divine performance from Sydney Sweeney. The [film explores themes](#) of faith and fear, making it a compelling watch for horror fans." – [Rotten Tomatoes](#)

Metacritic User Review:

"An intense and gripping film that [explores deep psychological themes](#). The performances are stellar, and the direction is superb. Immaculate is a film that will stay with you long after the credits roll." – [Metacritic](#)
