

Kinds of Kindness (2024)

Description

A Darkly Humorous Triptych of Human Nature

“Kinds of Kindness” (2024), directed by the acclaimed Yorgos Lanthimos, is a unique [anthology film](#) that intertwines three distinct yet thematically connected stories. Known for his absurd and [thought-provoking](#) style, Lanthimos delivers a film that explores the darker sides of [human nature](#) with a blend of comedy and drama. The film stars **Emma Stone**, **Jesse Plemons**, **Willem Dafoe**, and **Margaret Qualley**, each contributing to a narrative that is as unsettling as it is thought-provoking.

The film unfolds through three vignettes: a man struggling to break free from a predetermined path, a policeman grappling with the return of his wife who seems changed after a near-drowning, and a woman on a quest to find a prophesied spiritual leader. Each story delves into themes of identity, transformation, and the search for meaning in a chaotic world. The runtime of **2 hours and 44 minutes** allows for an expansive exploration of these themes, though some critics note that the film occasionally feels overstuffed with ideas.

Lanthimos's direction is both self-aware and experimental, reminiscent of his [earlier works](#) like "Dogtooth" and "The Lobster." Critics have praised the film for its caustic wit and [dark humor](#), although some have pointed out that the connections between the stories may leave viewers feeling frustrated. The film's tone oscillates between absurdity and poignancy, challenging audiences to engage with its [complex narrative](#) structure.

The performances are a standout aspect of "Kinds of Kindness." Jesse Plemons, in particular, has been highlighted for delivering multiple compelling performances that anchor the film. Emma Stone's collaboration with Lanthimos continues to yield impressive results, showcasing her versatility as an

actress. The chemistry among the cast adds depth to the narrative, making the characters' journeys feel authentic and relatable.

Visually, the film is striking, with Lanthimos employing a distinctive aesthetic that enhances the storytelling. The cinematography captures the surreal and often unsettling nature of the narrative, [immersing viewers](#) in a world that is both familiar and bizarre. The film's production design complements its themes, creating an atmosphere that is rich in detail and symbolism.

Positive Reviews

1. Engaging and Thought-Provoking:

- "Kinds of Kindness" is described as engaging and thought-provoking, with assured, grounded visuals that heighten the narrative's strangeness. The film's digressive structure allows for numerous interpretations, making it a rich subject for discussion [1](#).

2. Unique and Darkly Humorous:

- The film is noted for its dark humor and [unique storytelling](#). Critics have highlighted its absurd comedy and the way it delves into themes of personal autonomy and societal norms, pushing these themes to exaggerated, yet [darkly humorous](#), extremes [4 5](#).

Mixed to Negative Reviews

1. Length and Cohesion Issues:

- Some critics find the film unnecessarily long and lacking in dramatic cohesion. The anthology nature of the project is seen as a drawback, with the film feeling like three separate stories that don't quite come together as a cohesive whole [7 8](#).

2. Excessive and Cruel:

- The film's graphic violence and cruelty are points of contention. While some appreciate the dark satire, others find it excessive and hard to take, describing the film as an ordeal rather than an enjoyable experience [9 10](#).

3. Narrative and Thematic Execution:

- Critics have pointed out that while the film overflows with ideas, it doesn't always tie them together effectively. There is a sense that the film lacks the careful consideration seen in some of Lanthimos' best works, making it feel like an experiment that hasn't quite found its balance [11](#).

4. Mixed Reception on Themes:

- The film's exploration of themes such as control, manipulation, and the extremes of co-dependent relationships is seen as both a strength and a weakness. Some find these themes compelling, while others view them as overly bleak and disturbing [12 13](#).

User ratings for "Kinds of Kindness" reflect a mixed but generally positive reception. The film currently holds a **6.9/10** on IMDb and a **68%** user score on TMDb, indicating that while it may not resonate with everyone, it has found an appreciative audience. Critics have noted that the film is likely to spark discussions and interpretations, making it a compelling watch for those who enjoy thought-provoking cinema.
