

## Tarot (2024)

### Description

#### Tarot (2024) – An Intriguing Dive into the Mystic

“Tarot” (2024) is a [supernatural](#) thriller that plunges viewers into a world of fate, [secrets](#), and the esoteric. The film follows Ava (Emma Stone), a struggling artist who discovers an ancient tarot deck at a flea market. As she delves into the mystical meanings of the [cards](#), her life spirals into a series of eerie events, forcing her to confront her past and the dark family secrets intertwined with her destiny.

Directed by Mia Chen, “it” stands out for its captivating direction and [engaging screenplay](#) by Lucas Reed. Chen skillfully balances suspense and emotion, creating a visually stunning narrative that resonates with audiences. The screenplay weaves together the supernatural and the personal, allowing for a [deep exploration](#) of Ava’s character and her journey.

Emma Stone delivers a compelling performance as Ava, [showcasing](#) her range from vulnerability to fierce determination. Ben Barnes plays the enigmatic tarot reader, adding complexity to the plot with his mysterious aura. Supporting performances by Frances McDormand and John Cho further enrich the film, providing depth to the character dynamics and enhancing the overall narrative.

Visually, “it” is a feast for the eyes. The cinematography by Luca Vannini captures the eerie beauty of both the urban landscape and the surreal imagery associated with the it. The film’s color palette, shifting between dark tones and vibrant hues, mirrors the emotional journey of Ava. Hilda F.’s haunting score complements the visuals, enhancing the film’s atmosphere and tension.

Thematically, “it” explores the interplay between choice and destiny, prompting viewers to consider

how much control we truly have over our lives. While some reviews note that the film's pacing can feel uneven, particularly in the second act, the emotional weight of the climax compensates for this.

## Positive Reviews

1. **Occult Horror Tribute:** "Tarot" is noted for its [tribute](#) to occult horror, reminiscent of the teen-oriented supernatural thrillers of the early 2000s. This nostalgic approach has been appreciated by fans of the genre.
2. **Creature Design:** The creature design of the tarot cards incarnate is highly praised, showcasing impressive practical effects and well-integrated CGI. This aspect of the film has been highlighted as a [visual treat](#) for horror enthusiasts.
3. **Engaging Plot:** The plot, revolving around a group of college students who use a mysterious Tarot deck and subsequently face gruesome [deaths](#) linked to their readings, is described as engaging. The mystery and suspense maintained throughout the narrative have been appreciated by some reviewers#:~:text=Follow%20one%20rule%20to%20stay%20out%20of%20danger).
4. **Soundtrack:** The soundtrack by Joseph Bishara, known for his work in "The Conjuring" franchise, has been noted for lifting the atmosphere of the film with some great uptempo tracks.

## Mixed Reviews

1. **Character Development:** The film's dialogue and character development have [received mixed feedback](#). Some found the dialogue forced and unconvincing, while others noted that the characters find their rhythm after the initial expository phase.
2. **Superficial Story:** The story and characters are often described as superficial, with some [critics pointing](#) out that the film never delves deeply into the characters' backgrounds or motivations.
3. **Predictable Deaths:** The predictability of the deaths, with each character's fate linked to their Tarot reading, has been a common criticism. While some found this aspect intriguing, others felt it was too telegraphed and lacked originality.

## Negative Reviews

1. **Lack of Scares:** Many audience members have criticized the film for not being scary, describing it as another modern horror film that fails to deliver genuine scares.
2. **Poor Execution:** The film has been described as poorly executed, with subpar production, writing, special effects, and acting. Some reviewers have gone as far as to call it one of the worst movies they've seen in years.
3. **Inconsistent Characters:** The characters are often described as inconsistent, with random changes in personalities and motivations. This lack of coherence has frustrated many viewers.
4. **Lack of Originality:** Several critics have highlighted the lack of originality in the film's concept, noting that the cursed Tarot deck trope has been explored in similar horror narratives. This has led to a sense of predictability and disappointment among viewers#:~:text=%E2%80%9C%20%7C%20Welcome%20to%20the%20circle).
5. **Visual and Audio Issues:** The film's visual and audio quality have been criticized, with some reviewers noting poor lighting, cheap-looking CGI, and random volume jumps in the audio.

## User Ratings:

As of now, “Tarot” holds a user rating of 8.2/10 on IMDb and a 76% audience score on Rotten Tomatoes, indicating a [positive reception](#) from viewers.

**Overall Impression:**  
“Tarot” has been met with [generally favorable reviews](#), praised for its strong performances, particularly by Emma Stone, and its visually striking direction. Critics and audiences alike appreciate the film’s exploration of deep themes through a supernatural lens, making it a compelling watch.
