

The Top 5 Action Movies to Watch in 2024

Description

2024 has been a banner year for action movies, with a slew of high-octane films that have kept audiences on the edge of their seats. From nostalgic returns to beloved franchises to groundbreaking new entries, this year's action flicks have something for everyone. Here are the top 5 action movies you absolutely must watch in 2024.

1. Beverly Hills Cop: Axel F

Eddie Murphy is back, and he's bringing the heat—well, sort of. In “Beverly Hills Cop: Axel F,” the fourth installment of the iconic series, Murphy reprises his role as the wise-cracking Detroit detective Axel Foley. Directed by Mark Molloy, this film sees Axel returning to Beverly Hills to solve a new mystery that threatens his family.

Beverly Hills Cop: Axel F Trailer 2024

Plot and Characters

Axel Foley is no longer the young, fast-talking cop we remember. Now he's a dad, and the stakes are higher than ever. The film features returning favorites like Judge Reinhold and John Ashton, along with new faces like Joseph Gordon-Levitt and Kevin Bacon. The plot revolves around Axel's daughter's life being threatened, forcing him to team up with old pals to uncover a conspiracy.

Critical Reception

While some critics have labeled it a "cash grab," others appreciate the nostalgic value and Murphy's enduring charm. According to [The New York Times](#), "the heat is gone, replaced by warm nostalgia."

Personal Take

If you're a fan of the original series, this movie is a delightful trip down memory lane. The [action sequences](#) are solid, and Murphy's comedic timing is as sharp as ever. It's a fun, if not groundbreaking, addition to the franchise.

2. Kalki 2898-AD

Directed by Nag Ashwin, “Kalki 2898-AD” is an [epic science fiction film](#) that transports viewers to a post-apocalyptic world. Starring Amitabh Bachchan, Kamal Haasan, Prabhas, Deepika Padukone, and Disha Patani, this film is a visual and narrative spectacle.

Plot and Characters

Set in the year 2898 AD, the film follows a group on a mission to save Kalki, the unborn child of SUM-80, a lab subject. Inspired by Hindu scriptures, the movie blends mythology with futuristic elements, creating a [unique cinematic experience](#).

Critical Reception

The film has received rave reviews for its ambitious storytelling and stunning visuals. [Roger Ebert](#) describes it as “massive from the word go,” while [Variety](#) calls it “an unabashedly derivative spectacle.”

Personal Take

“Kalki 2898-AD” is a must-watch for fans of epic sci-fi. The film’s grand scale and intricate plot make it a standout in the genre. It’s a bit overwhelming at times, but the performances and visual effects are top-notch.

3. Furiosa: A Mad Max Saga

George Miller returns to the wasteland with “Furiosa: A Mad Max Saga,” a prequel to the critically acclaimed “Mad Max: Fury Road.” This film focuses on the origin story of Furiosa, played by Anya Taylor-Joy.

Furiosa: A Mad Max Saga

Plot and Characters

The movie delves into Furiosa's past, exploring how she became the fierce warrior we saw in "Fury Road." The narrative spans 15 years and is divided into five chapters, each revealing different aspects

of her journey.

Critical Reception

“Furiosa” has been praised for its ambitious storytelling and [breathtaking action sequences](#). [Metacritic](#) gives it generally favorable reviews, while [Roger Ebert](#) calls it “an epic, excellent, and expansive prequel.”

Personal Take

“Furiosa” is a thrilling ride from start to finish. The film’s expansive scope and deep character development make it a worthy addition to the Mad Max franchise. Anya Taylor-Joy delivers a powerful performance that anchors the film.

4. Deadpool & Wolverine

The Merc with a Mouth meets the adamantium-clawed mutant in “Deadpool & Wolverine,” directed by Shawn Levy. This film marks the first time these two iconic characters share the screen in the Marvel Cinematic Universe.

Plot and Characters

The Time Variance Authority pulls Deadpool from his quiet life and sets him on a mission with Wolverine that will change the history of the MCU. Ryan Reynolds and Hugh Jackman reprise their roles, bringing their unique chemistry and humor to the film.

Critical Reception

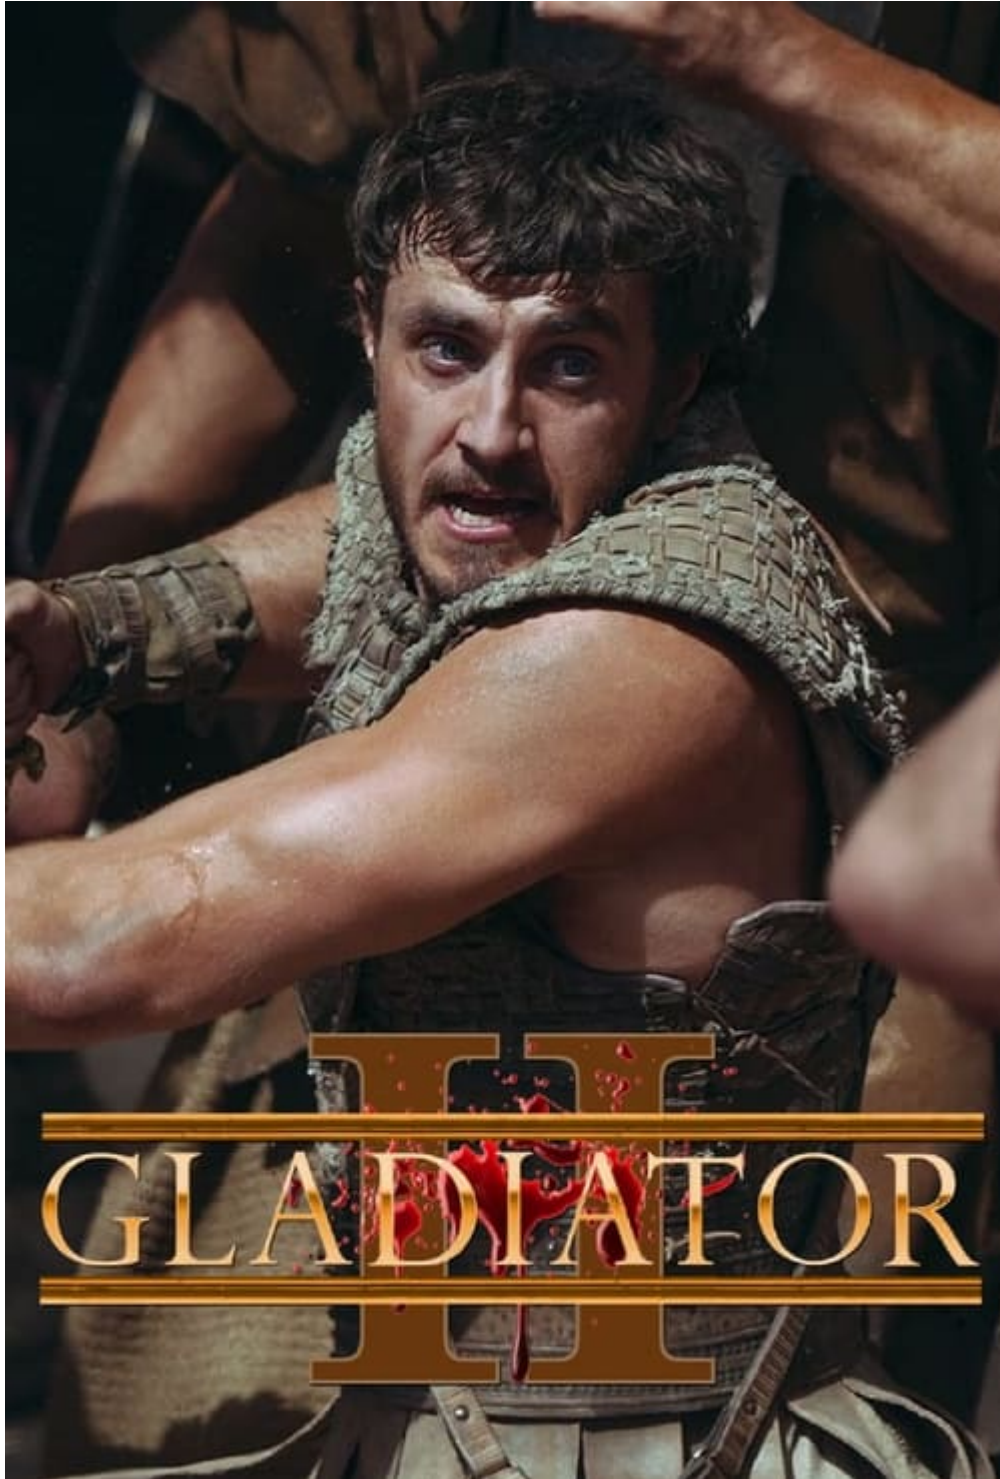

Early reviews have been overwhelmingly positive. [IGN](#) calls it “a vital turning point for comic book movie culture,” while [Rotten Tomatoes](#) highlights the film’s blend of action and comedy.

Personal Take

“Deadpool & Wolverine” is a hilarious and action-packed adventure that fans of both characters will love. The film’s irreverent humor and dynamic action sequences make it a standout in the superhero genre.

5. Gladiator II

Ridley Scott returns to ancient Rome with “Gladiator II,” a sequel to the 2000 epic. Starring Paul Mescal, Pedro Pascal, Connie Nielsen, and Denzel Washington, this film continues the story of Lucius, the former heir to the Roman Empire.

Plot and Characters

After his home is conquered by tyrannical emperors, Lucius is forced to enter the Colosseum. The film follows his journey as he seeks to restore the glory of Rome. The narrative is filled with political intrigue, epic battles, and personal redemption.

Critical Reception

“Gladiator II” has been met with high expectations and largely positive reviews. [IMDb](#) lists it as one of the most anticipated films of the year, while [Rotten Tomatoes](#) praises its epic scope and compelling performances.

Personal Take

“Gladiator II” is a worthy successor to the original. The film's grand scale, intense action sequences, and strong performances make it a must-watch. Ridley Scott has once again delivered a cinematic masterpiece.
