

Time Bandits (2024)

Description

“Time Bandits,” a 2024 fantasy adventure comedy series, is based on the 1981 film of the same name directed by Terry Gilliam and written by Gilliam and Michael Palin [1](#). The series is developed by Taika Waititi, Ian Morris, and Jemaine Clement, and stars Kal-EI Tuck, Lisa Kudrow, Tadhg Murphy, and Roger Jean Nsengiyumva.

The story follows an unlikely alliance between a band of thieves and Kevin, an 11-year-old history buff, as they embark on a perilous mission to save Kevin's family and the world [2](#). Kevin discovers a magical map that allows him and his newfound friends to travel through time, encountering historical figures and mythical creatures along the way. Their journey is filled with humor, danger, and unexpected twists as they attempt to outwit an evil sorcerer who seeks to control the map for his own nefarious purposes.

The series premiered on July 24, 2024, on Apple TV+ and is scheduled to release two episodes a week through August 21, 2024 [3](#). Each episode delves deeper into the fantastical world of time travel, exploring different historical periods and legendary tales.

The [main cast includes](#):

- **Kal-EI Tuck** as Kevin: The young history enthusiast whose curiosity leads him on an epic adventure.

- **Lisa Kudrow:** A mysterious and wise character who guides Kevin and the bandits.
- **Tadhg Murphy:** One of the time-traveling bandits with a knack for getting into trouble.
- **Roger Jean Nsengiyumva:** Another member of the bandit crew, known for his bravery and quick thinking [2](#).

The series is directed by Taika Waititi, who brings his [unique comedic](#) and [visual style](#) to the project. His direction ensures that the series retains the whimsical and imaginative spirit of the original film while [introducing fresh elements](#) to appeal to modern audiences [3](#).

The reception of “Time Bandits” has been mixed. Some critics have praised the series for its imaginative storytelling, strong performances, and the incorporation of Taika Waititi’s distinct humor. Kal-EI Tuck’s portrayal of Kevin has been highlighted as a standout performance, bringing depth and charm to the character. However, others have criticized the series for not living up to the charm and originality of the 1981 film. Some viewers feel that the series’ attempt to modernize the story results in a loss of the nostalgic magic that made the original a cult classic. Additionally, there have been reports of on-set issues, including allegations of assault by a male actor, which have cast a shadow over the production [3](#).

Strengths and Weaknesses

| Strengths | Weaknesses |
|--|--|
| Strong performances, especially by Kal-EI Tuck | Mixed critical reception, with some finding it lacks the charm of the original |
| Unique comedic and visual style brought by Taika Waititi | Some inconsistencies in the narrative |
| Imaginative storytelling | Reports of on-set issues, including allegations of assault by a male actor |
| Nostalgic appeal for fans of the original film | Over-reliance on visual effects in certain scenes |
| Engaging exploration of different historical periods | |
